## 1 What is Chickennix

Chickennix is a classic shoot'em up game. The plot of this game is to shoot everything appearing on the screen down and climp up the *highscore* <sup>1</sup>.

## 2 Assignment of keys

Key	Action
Left Mouse Button	Shoot
Right Mouse Button	Reload after ammo is empty
ESC	Stop the current game

## 3 Further features

I'll implent the following features in chickennix sooner or later

- xml-data
- sound
- highscore
- options
- config-file
- editor
- final-enemy
